Re: Incident at Villanova University on July 14, 2007

The Radnor Township Police Department investigated an incident that occurred on July 14, 2007 on the campus of Villanova University. The Radnor Police Department interviewed the female student involved in the incident. The female student informed Radnor Police she did not wish law enforcement to pursue an investigation of this matter.

As indicated by the Radnor Township Police Department, the investigation remains open, but not active due to this decision made by the female student.

I appreciate the Radnor Township Police Department's efforts and commend the Department's thorough and professional handling of this matter.
