**G. Michael Green Announces \$10,000 Reward**

Media, PA - Delaware County District Attorney G. Michael Green spoke at a press conference on August 5, 2008 concerning the ongoing investigation into the vehicle that struck Faith Sinclair, age 16, on August 3, 2008 at approximately 10:00 p.m. as she walked on Chester Pike at Cherry Street, in Sharon Hill, Pennsylvania. Sinclair was pronounced dead at the scene. The vehicle sped from the scene.

Faith Sinclair, age 16, was an honor student at Ridley High School. She was an active member of her school community. Her life goal was to teach children with special needs and she hoped to earn a degree from West Chester University.

The ongoing investigation by Sharon Hill Police Department with the assistance of the Office of the District Attorney reveals that the vehicle that struck Sinclair was a black Mercedes Benz S-Class. The impact resulted in front end damage and a broken passenger-side rearview light casing, which was left near the scene.

A \$10,000 reward is being offered for information leading to the arrest and conviction of the driver of the vehicle. Individuals are urged to contact the Citizen's Crime Commission at 1-877-345-TIPS or 215-546-TIPS.
