Upper Darby Township Operation Weed and Seed

Dear Mr. Green,

I would like to take this opportunity to personally thank you for making it possible for 3 ADA's to volunteer their time and attend Weed & Seed of Upper Darby Township's DEFY camp. I know having three ADA's of their caliber out of the office makes your donation more valuable.

Not only did Wana Saadzoi, Ian McCurdy and Joseph Lesniak (camp leader) do a spectacular job with the substance abuse trainings; they were also outstanding mentors to the thirty children who came to camp from the Weed & Seed area.

I honestly do not know what I would have done without them. They all brought so much to the success of the camp.

As you know they are continuing to mentor these children through out the year on their own time. I look forward to a great year with Wana, Ian and Joe. I am hoping they will consider continuing their commitment next year.

Sincerely,

Joan M. Scanlon, Site Coordinator
